Mrs. Jacob M. Kinder died at her home, four miles east of Bessville, Feb. 7, 1895. Mrs. Kinder, whose maiden name was Huffman, was born in Berk county, N. C., June 4, 1843, her parents soon after moving to Bollinger county, Mo., where she lived until her marriage. She then moved to Cape Girardeau county, where she remained several years. Moving back to Bollinger county, she remained here until death, after a continued sickness of over twelve months, drew the line over which all must pass and she willingly gave way to that sting we call death. No more shall we see her at home—

The Discovery Saved His Life.

Mr. G. Caillonette, druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store of house without it." Get a free trial at all drug stores.
